

# PUBLICATIONS ANNOUNCEMENT

## Institute of Philippine Culture

The *Institute of Philippine Culture* is an organization that studies local problems of education and economic development and hopes to promote a better understanding of the Filipino way of life.

The *IPC Papers* is the main channel through which the institute disseminates research findings on those aspects of the Philippines with which it concerns itself.

For more information, write to:

The Publications Editor

Philippines

Or call 99-87-21, 98-25-41.

### The IPC Guide to Tagalog/Ilocano/Ibanag

Teodoro A. Llamzon's pocket guide designed for the visitor to the Philippines' Northern Luzon, or the Ilocos and Cagayan Valley. Tagalog, Ilocano, and Ibanag equivalents are written in English-based key symbols. The guide also includes a word, phrase, and subject index.

3 x 5                      86 pages                      P4.25/\$1.70                      paper

### IPC Papers No. 2

#### Four Readings on Philippine Values

Third edition, revised and enlarged. Frank Lynch examines social acceptance and reviews 31 studies that have been conducted on the value; Mary Hollnsteiner shows the operation of reciprocity among Filipinos; Jaime Bulatao analyzes Manileño values using a projective psychological test; John Carroll describes backgrounds of Filipino manufacturing entrepreneurs.

6 x 9                      139 pages                      P6.20/\$2.00                      paper

### IPC Papers No. 4

#### Modernization: Its Impact in the Philippines

Richard Stone interprets driving behavior of Manilans; Frank Lynch and Ronald Himes present Tagalog concepts of kinship and disease; David Szanton reports his initial impressions of the rural fishing community of Estancia, Iloilo; David Roy and others sum up findings of the Philippines Peace Corps Survey; Frank Lynch and Perla Makil offer their minimanual for interviewing in the rural Philippines.

6 x 9                      133 pages                      P6.25/\$2.60                      paper
