

NOTICE TO SUBSCRIBERS

We regret that due to unavoidable circumstances, Volume 38 of the PSR is delayed. It contains an Index of graduate theses and dissertations on anthropology and sociology which were written in Philippine colleges and universities from 1919 to 1990.

We also wish to announce that the increased cost of printing in the country has made us decide to publish only one issue of the PSR annually, starting with Volume 38.

Thank you for your continued interest and support.
