SURVEY ON COST OF PRODUCTION OF TOBACCO
(Division of Agricultural Economics, DANR)

1. General Information

A. Personal Data:

1. Name of farmer Age..... Sex.....
2. (a) Birthplace
- (b) Present address
3. Educational Attainment
- Occupation: Primary..... Secondary.....
4. Number of persons in the family
5. Farm Tenure: (Check) Owner []; Share Tenant [];
 Part Owner []; Cash Tenant [];
 Other (specify)
6. Number of years operating this farm? Years.

B. Information about the farm:

1. Location: Barrio..... Municipality.....
 Province
2. Topography: Level []; Rolling []; Hilly [].
3. Soil Class: Clay []; Loam []; Sandy [];
 Other (specify)
4. Value of farm land:
 (a) Current market value (as stated by farmer)
 P
- (b) Assessed value * P.....
5. Tenure of farm operators and land in farm crop year
 1955-56

* See Municipal Treasurer if necessary

COST OF PRODUCTION OF SELECTED CROPS

| TENURE | LAND IN FARM | | | | |
|------------------|-----------------|------------|-------------------|----------|------------|
| | Cultivated Area | | Uncultivated Area | Home Lot | Total Area |
| | Tobacco | Other crop | | | |
| 1. Owner | | | | | |
| 2. Part-owner | | | | | |
| (a) Owned | | | | | |
| (b) Rented | | | | | |
| 3. Share Tenant | | | | | |
| 4. Cash Tenant | | | | | |
| 5. Tenant, Other | | | | | |
| 6. Farm manager | | | | | |

| 6. Varieties (Tobacco) | Area Planted (in Hectares) | Total Production (kilos) |
|------------------------|-------------------------------|-----------------------------|
| (a) | | |
| (b) | | |
| (c) | | |
| (d) | | |
| Total | | Has. Kilos |

7. (a) Was your tobacco crop damaged?

| (b) Cause or causes: | Extent of damages (Ha.) |
|------------------------|-------------------------|
| (1) Pests and diseases | |
| (2) Force majeure | |
| (3) Others (Specify) | |
| | |

8. What share (%) of the crop is paid to the landlord as rent:

| | | | |
|----------------------|---|------------------------------|---|
| (a) Tobacco | % | (d) Vegetables, fruits | % |
| (b) Palay | % | (e) Corn | % |
| (c) Sugar cane | % | (f) Others | % |

9. Problems encountered in the production of tobacco:

- (a)
- (b)
- (c)

10. What was your tobacco production on this farm?

- kilos
- (stick)
- (pardo)

11. At what price did you sell your tobacco crop?

- (a) Virginia tobacco per kilo? P.....
- (b) Native tobacco per quintal? P.....
Native tobacco per kilo? P.....

12. To whom did you sell your crops (check) FACOMA []:

- Local market []; Local merchant [];
- Others (specify)

13. Where do you store your tobacco? (check) house [];

- barn []; warehouse []; Others (specify)

14. How long is the tobacco stored before marketing?

15. How much do you spend for storing tobacco? P.....

COST OF PRODUCTION OF SELECTED CROPS

III. Other Expenses on this Crop

| I t e m | Total amount to be charged to this crop (Pesos) |
|---|---|
| 1. Seeds-cavans or gantas: at P..... | |
| 2. Fertilizer used, number of bags at P..... | |
| 3. Miscellaneous: | |
| a. Fencing to protect palay P..... | |
| b. Containers purchased: | |
| 1. Sacks P..... | |
| 2. Bags | |
| 3. Baskets and Cans | |
| Total for Miscel- laneous P..... | |
| 4. Food furnished farm laborer — (only for lowland palay production) | |
| 5. Insecticides and fungicides — (only for lowland palay production) | |
| 6. Other expenses — (only for low- land palay production) | |
| a. Irrigation fees — P..... | |
| b. | |
| c. | |
| T o t a l | |
| Total of other expenses: | P |
