

Policy on Submission

The **Philippine Statistician** is the official scientific journal of the Philippine Statistical Association, Inc. It aims to publish a wide range of papers of technical, theoretical or applied statistical nature and considered of general or special interest to varied groups of statisticians. Only unpublished manuscripts will be considered. They will be refereed. Two well-typed completed hard copies and a diskette copy of the article should be sent to:

The Editor
The Philippine Statistician
Philippine Social Science Council
Commonwealth Avenue
Diliman, Quezon City,
Philippines

To avoid delays and difficulties in publication, authors should follow instructions on style given in "notes on manuscripts" found at the last page.

Philippine Statistical Association (PSA), Inc.

The PSA, Inc. was organized in 1953 to promote the development of the statistical profession in the country and the improvement of statistics in all relevant fields of scientific application. Membership in the Association therefore, while selective, is not limited only to professional statisticians but is also open to all kinds of professionals in various disciplines and institutions with serious interest in the sound application and use of statistical methods or theories in these fields.

ERRATUM:

The authors of the paper entitled "**Sampling Audit of Financial Flows and Physical Assets in Bilateral Agreements: Philippines and USAID**" in the 1995-1996 issue of the **Philippine Statistician** should be Burton T. Oñate and Arturo Y. Pacificador Jr.
