

ACKNOWLEDGEMENTS

The Editorial Board of the Philippine Statistician gratefully acknowledges the pool of professional statisticians who served as anonymous referees of the contributed papers in this issue. Thanks also to Dr. Karl E. Peace and Dr. Balgobin Nandram for graciously accepting the Editorial Board's offer to have their papers published in this issue's Invited Paper Section. Dr. Peace is a distinguished Cancer Scholar, Senior Research Scientist and Professor of Biostatistics at Jiann-Ping Hsu College of Public Health, Georgia Southern University in Georgia, USA. Dr. Nandram, on the other hand, is a distinguished Statistician and Professor of the Department of Mathematical Sciences, Worcester Polytechnic Institute in Massachusetts, USA.

We would also like to acknowledge the sponsors of this year's issue, namely ABS-CBN and United Laboratories, Incorporated (UNILAB). Without their support, this publication will not be possible. Know more about their advocacy at the back pages of this issue.
