Policy on Submission

The Philippine Statistician is the official scientific journal of the Philippine Statistical Association, Inc. It aims to publish a wide range of papers of technical, theoretical and applied statistical nature, and considered of general or special interest to varied groups of statisticians. Since 2006, the journal has been published at least in two issues every year. Anyone who wishes to submit an article can send an *editable* e-copy to:

The Editor
The Philippine Statistician
Room 214 Philippine Social Science Center
Commonwealth Avenue, Diliman
1102 Quezon City, Philippines
psa@pltdsl.net

Abstract and 3 to 6 key words must be included in the paper. Acknowledgements for each paper ought to be separately listed in a final section before the paper's list of references. Only unpublished manuscripts will be considered. They will be anonymously refereed. "Notes on Manuscripts" can be found in www.nscb.gov.ph/psa/philstatistician/philstatistician_manunotes.asp

PHILIPPINE STATISTICAL ASSOCIATION INC.

About the Philippine Statistical Association (PSA), Inc.

The PSA, Inc., a private non-stock and non-profit corporation was organized in 1953 to promote the development of the statistical profession in the country and the improvement of statistics in all relevant fields of scientific application. Membership in the Association therefore, while selective, is not limited to professional statisticians but is open to all kinds of professionals in various disciplines and institutions with serious interest in the sound application and use of statistical methods or theories in these fields.
