

ACKNOWLEDGEMENT

The Editorial Board of the Philippine Statistician gratefully acknowledges the pool of professional statisticians who served as anonymous referees of the contributed papers in this issue. Again, we would like to thank Dr. Karl E. Peace for graciously accepting the Editorial Board's offer for three years now to have his papers published in this issue's Invited Paper Section. Dr. Peace is a distinguished Cancer Scholar, Senior Research Scientist and Professor of Biostatistics at Jiann-Ping Hsu College of Public Health, Georgia Southern University in Georgia, USA.
