

Announcement

The 5th World Urban Development Forum

San Antonio, U.S.A.

September 13-17, 1988

Organized by:

The International Union of Local Authorities and

The US National League of Cities.

The World Urban Development Forum promotes exchange and understanding between the world's large cities. The Forum provides a platform for future development by focusing on a variety of problems equally felt in the North and the South. It will review the current situation and discuss measures and policies to solve problems related to infrastructure, services and the environment.

"THE CITY AS AN ECONOMIC ENTITY" is the theme and the following subjects will be examined:

- 1) Promoting social and economic development;
- 2) Harnessing technology; and
- 3) Promoting cities nationally and internationally.
